**COMPLEXITY**

The background is a deep blue space filled with numerous white stars of varying sizes. A bright, thin white streak, likely a comet or meteor, cuts across the lower half of the image. On the far left, the curved edge of Earth is visible, showing white clouds and brownish landmasses. The text 'THE 7TH ENDOWMENTS' is centered in a bold, yellow, sans-serif font.

Conscious Evolution

A deep blue, star-filled night sky serves as the background. On the left edge, a portion of the Earth's surface is visible, showing white clouds and brownish landmasses. The stars are numerous and vary in brightness and color, with some appearing as distinct points of light and others as faint trails.
